

Social Bookmarking

Social bookmarks are a way to keep your web bookmarks or favorites online. Your bookmarks are available any place that you have access to the web.

Social bookmark services enable powerful cross- referencing between bookmark owners, providing opportunities to share and collaborate.

Setting up your *delicious* Account

- 1 **Point your browser to the delicious web site at:** <http://delicious.com/>
- 2 **Click the Join Now** button in the top right corner of the web page.
- 3 **Complete the web form** that asks for a username (no spaces or symbols), your full name, a password (twice), and your e-mail address. You must also type in the code that appears. Then **click Register**.
- 4 An e-mail message will be sent to your mailbox with a hyperlink in it. Click this hyperlink to **verify your account**.

Installing the *delicious* buttons for your Web Browser

- 1 To install delicious buttons **log in to your account** at <http://delicious.com>
- 2 **Click on Help**.
- 3 Go to **Need Tools?**
- 4 Click **Bookmarking buttons and add-ons for your browser or website**
- 5 **Choose your browser** from the list and **follow the installation instructions**.
