## Internship Opportunities

*with The Sophia Institute*

The Sophia Institute is a local nonprofit focusing on educating a national and global audience of men and women on the importance of developing wisdom and mindfulness to create a more just, sustainable, and flourishing world. We focus our initiatives such as: *Women, Wisdom, Leadership from the Inside Out, Wisdom, Mindfulness, and Well-Being*, and our new initiative *Social Justice and Racial Equity from the Inside Out*.

THE SOPHIA INSTITUTE

As an intern at The Sophia Institute you will assist in many aspects of the business. You will interact with donors and retreat participants, help manage our website, assist with event planning and management and provide administrative support. This internship is unpaid and is a part-time position at 10-15 hours per week.

If you have wanted to learn the intricacies of running a nonprofit for a big impact, this is the internship for you! We work hard toward the greater intent of supporting our society to grow and flourish. We want you to join our team!
